Another great event for the WNPF in Kissimmee, Florida! We look forward to the next one in August with the World Series of Powerlifting. Kelsey lifting in her first meet did great with a 430 total and nice 140 bench. Tiffany hit a monster 175 bench and 710 total. We hope to have more women in August so we can give out a best lifter award in this class. Steve Soukup finished with 2 state records and an 840 total. Nick G. totaled 1005 and went 3-3 in both the squat and deadlift events. Armando Perez took home the best lifter award with a 460 sq, 305 bench and monster 565 deadlift. Rick Meyer strict curled 110 and had more in tank, Rick told me he will hit 125 in August. We had a battle in the 181s with Russell, Jeremy and Josh. It came down to the last lift with Russ coming out on top, with Josh finishing 2nd and Jeremy coming in 3^d. Jeremy did set a Florida state bench press record! Kevin Perry totaled 960 and what a nice young man, we will see Kevin's total go up with each meet I'm sure. Always consistent Michael "Get Down" Brown totaled 890

and curled 120. Michael has been with the WNPf for about 20 years now. Mike Macmillan went 8-9 only missing his last deadlift but totaled 730 lbs. Davaughn Brown benched 370 and curled 155 in the 198s, he also won the best lifter award in both classes. "THE DRIZ" benched 370 with a broken wrist and knocked out 26 reps with 210 pounds. David Whitehead moved up an age group and set a new record with a 320 bench and 130 curl. Maurice McClain totaled 1305, Maurice had nice technique in all of his lifts. Jim Burton just turned 69 and dead lifted 435 pounds, great job Jim. Eddy Farinas pulled a 525 for the best lifter award in the deadlift only division. Carlos Stennett made all three squats and we were happy he did because last year he bombed and finished with a 1085 total. Cory Graney totaled 1300 and had the highest deadlift in the meet with a 620. Larry Bucchioni another 20 plus WNPf member pulled 505 and set new state records in his class. Larry also judged for us as we needed another judge at the last minute, great job Larry and thank you. Big Mike Nowak totaled 1275 and set all new records in his class. Thanks to Vincent Brown and Mike Francis for judging. Thanks to Mike, Chris and Gabe for spotting, also thanks to Driz for helping us out in the squat. Also thanks to Rachel for helping moms at the door and a big thank you to my son T.J., Moms and Adrian for traveling down 7 hours to Florida with me to put on this event. See everyone in August at the World qualifier. WNPf
